

Reverend Marion J. Hedger – “The British Psychic”

**Board Certified as a Psychic Medium, Séance Conductor, and Reiki Master;
Former Secretary to the Board of Trustees of the Spiritualist Church of New York City (2007-2011)**

Rev. Marion, an Ordained Spiritualist Minister and third-generation psychic-medium of some 25 years' standing, can trace her roots back to the Revolutionary War. She is the great great great granddaughter of Lord Frederick North, Prime Minister of England and Chancellor of the Exchequer (under George III), who was responsible for the historical Boston Tea Party.

An experienced, insightful, and compassionate psychic, Marion has trained in London at the *Arthur Findlay College of Spiritualism*, but earned her Board certifications with New York's premier *Holistic Studies Institute (HSI)*, www.holisticstudies.com, and can count many celebrities among her clientele. She has read at numerous high-profile events and celebrity parties: *Donna Karan*, *The Corcoran Group*, *Henri Bendel's* 5th Avenue store, *Light Nightclub's* Charity events for *The Leukemia Society*, and the *Halloween Charity Ball* at Sand's Point Castle in Port Washington for the *Big Apple Herpetological Society* are just some examples. She has a large, expanding, international, private practice but still finds time to periodically co-conduct séances at *HSI*. In the winter of 2014, Marion was honored to be invited to become part of *HSI's* teaching faculty. She has been happily teaching *Psychic Development: Levels 1 - 3*, and *Advanced Trance & Physical Mediumship* to the more advanced students, since that time.

In the years 2004 and 2005, Marion was one of only 50 psychics who were chosen to help open the third and fourth seasons of *CourtTV/TruTV's Psychic Detectives* show, was the psychic of choice at the fall 2007 promotion of *Desperate Housewives* for ABC TV, and has participated in Salem, MA's month-long *Festival of the Dead* Psychic Fair every year from October 2008 to October 2016. More recently, Marion has been featured in an October 2018 *New Yorker Magazine* article about “*The Psychics of New York*,” followed by a *London Sunday Times Travel Section* story of a London woman's Post Divorce blowout in NYC in September 2019.

Rev. Marion is legally able to officiate at weddings and funerals and is a founding member of *The Spiritualist Church of New York City*, NYC's first Spiritualist church, www.spiritualistchurchnyc.com, which holds regular services on Monday evenings on the Upper West Side.
